

Aging Services Collaborative of Santa Clara County

At a Glance

Formed in 2006, the Aging Services Collaborative (ASC) is a coalition of over 50 organizations and individuals collaborating to lead a community effort to support, maintain, and promote the well-being of older adults and their caregivers. ASC members work together to identify policy, advocacy, and communication priorities as well as host the annual conference—*Caregivers Count*. ASC focuses on leading, coordinating, and increasing the effectiveness of aging services. Additionally, ASC aims to advocate on behalf of older adults to key stakeholders, government, and corporation leaders to increase funding for aging initiatives.
