

# Senior Services Coalition of Alameda County

---

## At a Glance

Formed in 1996, the Senior Services Coalition of Alameda County (SSC) has decades-long experience conducting coordinated advocacy to advance public policy that benefits older adults. SSC is committed to improving the system of care for all older adults, especially those most vulnerable due to frail health, cognitive impairment, disability, or financial status. The Coalition represents nonprofit and public organizations and stakeholders – all working together to ensure that county seniors have an easily accessible, coordinated system of social, medical, and supportive care. SSC is focused on building relationships with local elected officials; informing policymakers and the public; and establishing collaborative systems change partnerships.
