

PRIORITIZING STRATEGIES

PHYSICAL ENVIRONMENT

Name: _____

Organization: _____

Strategies can be prioritized using a number of different criteria such as ones that **address the most immediate need**, are **easiest to implement** and/or **have greatest long-term impact**.

Keeping these in mind, **select three strategies in total** from the list below that you would prioritize for implementation and write why you selected those strategies.

NEIGHBORHOOD

- Design for mixed-age, mixed-ability neighborhoods with amenities that meet people's physical, social, and emotional needs.
- Design intergenerational spaces and communities.
- Prioritize health and safety in both existing communities and in the design of new developments.
- Include the voices of older adults and people with disabilities in planning and development processes.

TRANSPORTATION

- Make travel convenient and affordable for older adults and people with disabilities.
- Develop transportation options that can meet a variety of accessibility needs.
- Coordinate transportation offerings across public agencies, social service providers, and private entities in order to make them easily navigable.

HOUSING

- Remove financial and regulatory barriers that prevent older adults and people with disabilities from acquiring and keeping their housing.
- Make it easier to build a variety of housing types for diverse lifestyle needs.
- Streamline housing application processes to ease the process of finding and keeping housing.
- In addition to providing emergency services, provide pathways out of homelessness for individuals that address a range of underlying causes.

PRIORITIZING STRATEGIES

SUPPORTIVE SERVICES

Name: _____

Organization: _____

Strategies can be prioritized using a number of different criteria such as ones that **address the most immediate need**, are **easiest to implement** and/or **have greatest long-term impact**.

Keeping these in mind, **select three strategies in total** from the list below that you would prioritize for implementation and write why you selected those strategies.

HOLISTIC SERVICES

- Provide services that consider the whole person — their background, experiences, preferences — and meet individual needs.
- Develop service delivery systems that are coordinated, integrated, and easy to access.
- Support collaboration across sectors and between service providers and self-organized communities.
- Expand and train a workforce that matches the growing need to serve an aging population.

LONG-TERM CARE

- Provide accessible and affordable channels for financing and saving for long-term care.
- Incentivize planning and saving for long-term care.

CAREGIVING

- Provide supports that alleviate the financial demands of caregiving.
- Expand the pool of qualified caregivers so people can have a variety of care options.

PRIORITIZING STRATEGIES

SOCIAL AND EMOTIONAL WELL-BEING

Name: _____

Organization: _____

Strategies can be prioritized using a number of different criteria such as ones that **address the most immediate need**, are **easiest to implement** and/or **have greatest long-term impact**.

Keeping these in mind, **select three strategies in total** from the list below that you would prioritize for implementation and write why you selected those strategies.

CELEBRATING AGING

- Promote an aging-positive public narrative.
- Support new and existing channels that generate peer-to-peer community building.
- Create opportunities for increased intergenerational connections.

PLANNING FOR AGING

- Make planning for aging an integrated part of Californian's lives.
- Create resources for families and loved ones to have conversations on aging.

CAREGIVING

- Provide supports that alleviate the physical and emotional demands of caregiving.

JOB/VOLUNTEER OPPORTUNITIES

- Aid older adults in transferring existing skills or learning new skills that can be used in their every day lives.
- Remove barriers and increase incentives that allow people to participate in the workforce longer.
- Build pathways for older adults and people with disabilities to access job and volunteer opportunities.
