

# Respond to COVID-19 Through the Master Plan for Aging

COVID-19 is dominating California voters' priorities  
and the Master Plan for Aging still ranks high

## Voters Say...

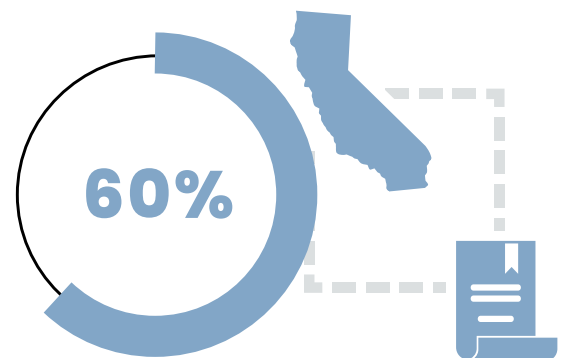

**Release the Master Plan and vision  
for its implementation in 2020**

**The pandemic makes the Master Plan a  
more urgent priority for policymakers**

**Develop a system that is easy to navigate**

**California should be held accountable for,  
and invest in, the Master Plan's priorities**
