Welcome & Transforming Care in the Time of COVID

Heather & Lynda's Experience

Our home-based care program is built around the patient. Our home-based care is a multidisciplinary approach:
- MDs
- NPs
- Complex care MGRs
- Social workers

Which COVID-19 flexibilities should become permanent?

Between my faith, family, & Scripps, I know that's why I'm here.

The home-based care team helped me a lot.

COVID was the 1st time I couldn't be by my mom's side.

People risked their lives caring for me.

LOVING CARE

Assisted the care giver too.

WHICH PUBLIC HEALTH EMERGENCY FLEXIBILITIES SHOULD WE KEEP?

REMOTE SERVICE & TELEHEALTH EXPANSION
- EXPAND BEYOND JUST RURAL
- ALLOW AUDIO ONLY-SERVICES ALL BENEFICIARIES

PAY FAMILY TO PROVIDE HEALTHCARE
- EXPAND LESS SUPPORT
- ACCESS TO TELEHEALTH/REMOTE
- TECH ACCESS/TRAINING
- ADDITIONAL CARE SETTING DELIVERY

MONEY BUT NOT RULES
INCREASES INEQUITY!

SUSTAINABILITY REQUIRES INCOME!

IT'S OUR DUTY TO REDUCE COGNITIVE LOAD BUREAUCRACY

AN INTERCONNECTED NETWORK OF CARE!

STABILIZE AND WORKFORCE!
- ALLOW NON-LICENSED STAFF TO DO SOME CLINICAL TASKS
- NURSES, CNAs

TELE-HEALTH CAN BENEFIT ALL!

- PROVIDER - FREES CLINIC SPACE
- PATIENTS - HOME CARE
- FAMILY CARE GIVERS - FLEXIBILITY

RIP

EXPANDING REMOTE SERVICES TO INCL URBAN SETTINGS
A MATTER OF LIFE & DEATH!

IT'S NO LONGER OFFERED?

Q&A THOUGHTS
- TELEHEALTH IS RIGHT-SIZING
- ALIGNMENT W/ MEDICARE & MEDICAID
- CHANGES WILL AUTO-END UNLESS MODIFIED
- POTENTIAL DISCONNECTS DUE TO STATE KEYS
- IRING WHICH FLEXIBILITIES TO KEEP IS DIFFICULT
- THANKFUL FOR SCANS, RESEARCH FUNDING!
- DON'T DEEM FAILURES TOO SOON
- PT. PROVIDERS, COMMUNITY SHOULD DETERMINE SUCCESS

COVERAGE FOR KEEPERS MUST BE SEAMLESS!
